

Welcome Day Ceremony Report

Foundation Course – Phase I MBBS, Batch 2025–2026

Date: 24th November 2025 | Venue: VIMS Campus

The Welcome Day Ceremony for the newly admitted MBBS Batch 2025–2026 at Vedantaa Institute of Medical Sciences was conducted with great enthusiasm and warmth on 24th November 2025. The program aimed at orienting the freshers to the institution, its values, curriculum, and academic environment, ensuring a smooth beginning to their medical journey.

Program Highlights

1. Registration (10.00 – 10.45 am)

The event commenced with the registration of students and their parents, facilitated efficiently by the General Secretary and Team.

2. Welcome & Introduction (11.00 – 11.10 am)

The General Secretary and Team welcomed everyone and introduced the faculty members, giving students an overview of the academic mentors who will guide them throughout the course.

3. Overview of Campus & Ambience (11.10 – 11.20 am)

A short film prepared by the IT Department (Mr. Yogesh & Mr. Ashok) showcased the infrastructure, academic facilities, laboratories, library, and student amenities.

4. Introduction of Foundation Course (11.20 – 11.30 am)

Dr. Pratap Jagtap (Biochemistry Department) briefed the students about the objectives and structure of the foundation course.

5. Academic Calendar & Curriculum Description (11.30 – 11.40 am)

Dr. Jayant Makwana (Physiology Department) explained the academic calendar, teaching-learning methods, CBME guidelines, and assessment framework.

6. MUHS Attendance Rules (11.40 – 11.50 am)

Dr. Blessymol Joseph (Anatomy Department) detailed the mandatory attendance requirements laid down by MUHS and emphasized discipline and punctuality.

7. Dean's Address & Introduction to CBME (12.05 – 12.35 pm)

Dean Dr. Daksha Amonkar addressed the gathering, highlighting the values of professionalism, compassion, ethics, and responsibility expected from future doctors. She also introduced the Competency-Based Medical Education (CBME) system.

8. Vote of Thanks (12.35 – 12.40 pm)

Dr. Ruikar (Physiology Department) expressed gratitude towards the management, faculty, parents, and students for making the event successful.

9. Interaction with Parents (12.40 – 1.00 pm)

Parents had the opportunity to interact with the Dean, clarify academic and administrative queries, and understand the institutional support system.

10. Lunch Break (1.00 – 2.00 pm)

Students and parents were served lunch in a warm, friendly environment.

11. Documentation Procedures (2.00 – 5.00 pm)

The Admission Cell, led by Ms. Hiral Patel, smoothly carried out the document verification and submission process.

Conclusion:

The Welcome Day Ceremony for the MBBS Batch 2025–2026 concluded on a highly positive and inspiring note. The programme successfully oriented the new students to the institutional culture, academic framework, and professional responsibilities expected throughout their medical journey. The active participation of faculty members, parents, and students added warmth and significance to the event. Overall, the ceremony set a motivating foundation for the batch, instilling confidence, discipline, and enthusiasm as they begin their path in the medical profession.
